Reloading ! Hang in there !
It's hopeless.

There is no way we can catch that with just turret rotation...
Do not give up !

Reloaded !

but...

We gotta move !

Die, you monster !

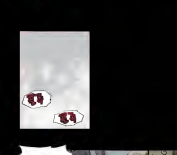
Ack!
Argh !

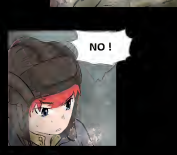
Is everyone alright ?!
The tank is done for ! Evac--

NO !



No, we must not, commander!
Tomura?

This tank can still fire ! It's not over yet!
Buildos !



I've caught it !
쿠쿠쿠쿠

It... It's still moving !
We gotta move !

No... NO WAY !
Everyone's dead ! Everyone !
That's.. So..Hate ! the fascismo Mark ?!
What can I even do in this real situation ? If a good ass-kick don't be dead
Commander.
I told you to wait !
We can take a rest but this is going nowhere after that
It so ...
Let's go back.

So, well..
I'm glot to kicked commander
Fuck !
I guess this is the end
What ? The bomb's opened

Fire!

This is Victor ! We are Fascismo its Dwarfs !

Yun? Anyone ?!
(Mirkin?) Anyone ?
We are about to track it down. Anyone out there ?
쾅!!!
What the hell happened over there ?!
Anyone ? Respond !
